Idea behind the website

- Help Northeastern Community discover the best events in and around campus
- Help students locate the events and book for the events of their choice
- Enable everyone from the Northeastern community to book events from a selected genre as per their choice.
- Help people from various sections of the community socialise with each other by meeting up in events.

Signin page

- Signin page is the welcome page of the website.
- Users will have options to Sign-in, whereas a new user gets the option to Sign-up as a new user.
- Admin user has the control to sign-in as an admin.
